Maintenance

Maintenance

Manage reported asset issues. Tickets are generated automatically in First Come First Serve order.

1. Maintenance Ticket Queue

i

Tickets are generated automatically in the order issues are reported (First Come First Serve).
Issues are solved based on priority order: High → Medium → Low. For the same priority, First Come First Serve.

Ticket	Asset ID	Employee ID	Asset Type	Issue	Priority	Reported Date & Time	Status	Action
1	LAP001	250818001	Laptop	Screen damaged	High	18-08-2026 09:00 AM	Pending	Start Repair
